The New Alen 55

Cruise in style with the new Alen 55 . . .

**LIVING LARGER** \* Like its 42-foot predecessor, the **Alenyacht Alen 55** ([www.alenyacht.com](http://www.alenyacht.com)) has a topside area swathed in teak and a hull constructed entirely of composite materials. The overnight cruiser features belowdecks sleeping quarters for as many as five guests and a foldable amidships table that can seat 10. The 55-footer can reach a top speed of 36 knots. Alenyacht, a Turkish company, is working with the London design firm Foster + Partners on a 68-foot model, which it expects to launch by the end of the year. . . .
